

Remboursement « Offre Unique »

En déposant un nom de domaine par l'intermédiaire d'o2switch, le client reconnaît que le service auquel il souscrit correspond à un bien nettement personnalisé.

Si le client a commandé une offre incluant un nom de domaine, il devra payer celui-ci du tarif individuel du nom de domaine concerné chez o2switch, en vigueur à date de commande et pour l'extension concernée en euros TTC en cas de remboursement. La somme sera déduite du remboursement et le nom de domaine restera à sa disposition pour tout changement de prestataire jusqu'à son échéance.

Exemple ci-dessous des tarifs au 29/08/2018, TTC, TVA France Métropolitaine 20 %.

Tarif variable en fonction du taux de TVA auquel est soumis le client final.
